- During the renewal period, you can check the status of your application online. Go to the Board's web site, www.abn.alabama.gov and click on "license look up." Enter the name or license number. If the license is renewed, the expiration date will be December 31, 2011.
- The plastic wallet card is printed in Chicago and takes 10 business days following renewal for delivery to your mailing address. If you change your address after renewing, change your address online. License cards are not forwarded and will be returned to the Board of Nursing. There is a \$25 fee to resend mail.

CE EARNED BETWEEN OCTOBER 1, 2007- DECEMBER 31, 2009 CAN ONLY BE USED FOR 2009 LPN RENEWAL.

THE LPN EARNING PERIOD FOR CONTINUING EDUCATION IS THE SAME AS THE LICENSE PERIOD.

New Retired Status

Are you retired from nursing but want to keep your license? The Board now offers an inactive license that has a RETIRED status. You can renew your license in the retired status for only \$50.00. You will be asked to determine whether to renew Active or Retired in one of the first screens when you renew online.

The Retired status does not allow you to practice nursing;

you are provided a license card that shows you used to practice but are now Retired. An active license is required to practice nursing.

To assure that the retired status is not used to bypass CE requirements, the reactivation fee for a retired license within two years is \$500 plus the \$75 renewal fee (total = \$575). The reactivation fee after two years is \$150 plus the \$75 renewal fee.
